SONS SUPPORTERS TRUST INCREASE INVESTMENT IN DUMBARTON FOOTBALL CLUB

The Sons Supporters Trust are delighted to announce further investment in Dumbarton Football Club.

£4,000 worth of shares were purchased in the last seven days increasing, substantially, the Trust's stake in the Club.

And the cash injection helped to fund the signing of Craig Winter from Brechin City as well as securing the services of goalkeeper Stephen Grindlay on an extended contract.

Dumbarton FC's Chief Executive Ian MacFarlane said : *"I would like to acknowledge the help of the Sonstrust in contributing the major part of the transfer fee for Craig Winters.*

"In my opinion, this further cements the belief, that we are all now working together to the benefit of D.F.C."

Trust Director Stephen Lynch added : "The supporters are delighted to help the club out at this crucial time of the season
